

Accessibility Statement

Effective Date: March 5, 2026

Commitment to Accessibility

Arbre Technologies, Inc. is committed to ensuring digital accessibility for people with disabilities. We continually improve the user experience for everyone and apply relevant accessibility standards to enhance usability and accessibility across our website and digital platforms.

Accessibility Standards

Our goal is to conform, where feasible, with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA. These guidelines explain how to make web content more accessible for people with a wide array of disabilities including visual, auditory, cognitive, and motor impairments.

Ongoing Accessibility Efforts

Arbre Technologies actively works to increase the accessibility and usability of our website. Accessibility is an ongoing effort and we regularly review our digital properties to identify and address potential accessibility barriers.

Compatibility with Assistive Technologies

Our website is designed to be compatible with commonly used assistive technologies and modern web browsers. While we strive to adhere to accepted guidelines and standards for accessibility, it may not always be possible to do so in all areas of the website.

Feedback and Assistance

If you experience difficulty accessing any part of this website or require assistance with any content, we welcome your feedback and will make reasonable efforts to provide the information or service you need through an accessible communication method.

Contact Information

If you encounter accessibility barriers or have suggestions for improvement, please contact Arbre Technologies, Inc. using the information below:
